Proposes that the movement of the Lady Medical officer, facing St. Magdalene fixed at Rs 20 pr month that a provision of Rs 240 be made on this account with Rs. 2. Lumsden for 1928-29.

Sd. Dr. Fr. No 4/10160-2/ Recd 30-3-28 & 15.3.28. Govt have noted that the Lady Medical officer be permitted to occupy Govt Quarters as rent free for the present & that after 1st July she might be given a suitable allowance instead of rent free quarters. The Senr Surgeon has now recommended an allowance of Rs ~~240~~ 20 pr month. Provision for this has been included in the Statement of additional items to be provided for in the next yr's budget. Separately noted. A draft for is sd.

3) In G.O. dated 15.3.27, Govt ordered that the quarters may be treated as rent-free for the present and that she may be given a house rent allowance from 1st July 1927, in lieu of free quarters.

4) It appears that the house rent allowance contemplated in the G.O. may exceed above it to meet the rent of the Govt quarters. She will get the allowance, but it will be recovered from her pay bill for the rent of the quarters. This is taken for granted that she is bound to occupy the Govt quarters built for her. If this is so, the P.W.D. Secy will have to be consulted, whether the ~~house rent~~ allowance of Rs 20 per month, is adequate to meet the rent of the quarters.

5) If however it is held that she is not bound to occupy the Govt quarters, the consultation of the P.W.D will be necessary.

2. Under the existing rules officers for whom Government quarters have been provided have to pay rent whether they occupy it or not.

3. The rent fixed is either at 10 per cent of salary or 8 per cent on capital cost. In the former case if an officer is in receipt of a graded salary, the rate of rent will vary whenever increments accrue.

4. It does not seem desirable to make the rent allowance fluctuate according to the rate of rent. The allowance may be fixed in consideration of the status of the officer and the approximate rent he may have to pay and the occupier may be required to pay the actual rent due from time to time.

5. In the present instance the Senior Surgeon's recommendation seems fair and may be approved.

1) Mrs Reardon while in Shimoga had occupied Govt quarters and did not pay any rent for it. In the G.O. of the 15th March, the quarters were ordered to be treated as rent free and the same was communicated

2) The Executive Engineer writes to the S.S. that the Govt order has come only from 15th March & and does not specifically exempt Mrs. Reardon from paying house rent and as such the amount of Rs 142-9-0 be recovered from her and credited. The S.S. now wants clear orders exempting Mrs. Reardon from payment of the same. As the intention of Govt when passing the G.O of 16th March 1927, appears to have been to exempt Mrs Reardon from pay & of rent, ~~the~~ orders may perhaps issue to the Chief Engineer, not to insist on the recovery of the amount from her.

Read:-

Letter No.C.2196-1 dated 1st June 1926 from the Senior Surgeon in Mysore stating that Mrs.B.Perriton, Lady Assistant Surgeon, District Hospital, Shimoga, has represented that she has been asked to pay rent at one-tenth of her salary for the quarters occupied by her which is a real hardship in as much as she had enjoyed the privilege of rent free quarters so long as she was attached to the Victoria Hospital and the Robertsonpet Maternity and is entitled to free quarters under the Malnad Improvement scheme, and requesting that the quarters occupied by the Lady Doctors may be declared rent free.

2. Government Order No.G.10160-2/Med. 36-25-10 dated 15th March 1927 directing that the quarters occupied by the Lady Medical Officer, Shimoga, be treated as rent free for the present.

3.
